PATH Registered Instructor Certification Process

In order to become a PATH Certified Instructor, you must successfully complete the two phases of the certification process. For additional information on this process, please refer to the PATH website at www.pathintl.org under *Instructor Certification* drop down menu. Any questions that you have regarding Phase One should be directed to the PATH office, and questions regarding Phase Two should be directed to Hearts Therapeutic.

Phase One (PATH)

With the submission of your Registered Instructor Certification Application Form, an application fee, copies of current CPR and First Aid Certification and PATH membership number or application to the PATH office, you will officially enter Phase One. Upon receipt PATH will e-mail you a **Phase One Packet**:

- Center Accreditation Training Course (CAT)
- CAT Instructor CAT Exam
- Instructor Self-Study, Skills Sheet
- PATH Registered Instructor Open Book Exam

Note: You will have six months to complete the Phase One Packet. Please note the CAT course/exam has a 60 day frame and the Instructor Self-study/Open book exam has a 6 month time frame.

Upon successful completion of Phase One, you will receive a confirmation of Instructor in Training letter from the PATH office. At this point, you are considered a **PATH Instructor in training**. You may retain this designation for twelve months from the date of your letter. At that time you may also sign up for an On-Site Workshop and Certification.
